We at Juana's/ Sailors' Grill are sorry to have to announce that, effective immediately, we will be closing the entire business. This includes Juana's Pagodas, Sailors' Grill, Schooner Bar, Juana Bites, Juana Shop, beach rentals, volleyball leagues, and all other activities associated with our business.

As one of the most popular gathering places in Navarre, and in the hopes that citizens will heed the CDC advice of self containing themselves and their families, we feel it prudent to be part of the solution to the Covid 19 Virus by temporarily shutting down the entire Juana's/Sailors' complex.

We are hopeful that this unprecedented situation will be under control soon, and we look forward to opening our doors once again to our wonderful staff and loyal customers.

Thank you for your understanding,

The Juana's/Sailors' Family
